**Findings—Intent—2025 c 194:** "The legislature finds that nearly 65 percent of the world's population has textured hair, resulting in a market of approximately one billion people, yet many clients with textured hair report not having equitable access to professionally trained and licensed stylists with the skill set and experience to provide services for textured hair.

The legislature also finds that in the appearance enhancement industry, current standards for training and qualifications tend to only apply to individuals with fine, straight hair. As such, students attending schools of cosmetology or natural hair styling may complete training programs without a full understanding of how to maintain, treat, and style a diverse range of hair textures including curly, coiled, coarse, and thick hair. This institutionalized gap in knowledge can result in harm to health and damage to the hair of clients from varying cultural and ethnic backgrounds.

Therefore, it is the intent of the legislature to establish a process to empower cosmetologists with the skills and confidence to consult and work with clients with textured hair while maintaining the industry health and safety standards." [2025 c 194 s 1.]

**Intent—2022 c 35:** "It is the intent of the legislature to help resolve issues relating to professional licensing for cosmetologists, hair designers, barbers, manicurists, estheticians, master estheticians, and instructors. The COVID-19 pandemic has affected all Washingtonians in different ways, and many people licensed to instruct or practice cosmetology, hair design, barbering, manicuring, and esthetics may not have renewed their license within the one year expiration window and, as a result, had their license canceled. The legislature intends to allow individuals whose licenses were canceled for failure to renew within the expiration period during the pandemic an opportunity to renew their license. Moving forward, the legislature intends to study barriers to maintaining a professional cosmetologist license in order to address this issue in a comprehensive way in the 2023 legislative session." **Finding—2006 c 162:** "The legislature finds that direct-entry apprenticeship programs can be very beneficial to both students and employers. However, there is also concern that apprenticeship programs may reduce the number of students who enroll in traditional cosmetology school. The advisory committee is to update the legislature on the program with an updated final report by December 31, 2008, and is to include an evaluation of the effectiveness of the apprenticeship program, including but not limited to the number of apprentices who complete the program, the number of apprentices who take and pass the licensing examination, and a formal review of any

impact the expansion of such an apprenticeship program may have on the enrollment of traditional cosmetology schools, including but not limited to whether the enrollment of traditional cosmetology schools is negatively impacted by the direct-entry apprenticeship programs." [2006 c 162 s 1.]

If the date of the request is no more than six months before the expiration date of the license, a request for a two-year extension of the inactive status, as provided under subsection (2) of this section, may be submitted at the same time as the request under this subsection.

(2) If the holder of a license placed on inactive status under this section submits, by the expiration date of the license, a written and notarized request to extend that status for an additional two years, the department shall, without additional fee, extend the expiration date of: (a) The licensee's individual license; and (b) the inactive status for two years from the expiration date of the license.

The legislature recognizes that access to federal financial aid is a major avenue for overcoming financial barriers to higher education for many students in Washington. The legislature recognizes that recent federal changes in federal regulations require the adjustment of definitions of certain postsecondary institutions in state statutes to ensure that those schools that currently meet the requirements are eligible for student financial aid programs provided by the federal government." [2013 c 201 s 1.]

**RCW 18.16.310 Department of licensing tuition recovery trust fund.** (1)(a) For the purpose of providing relief to students impacted by the voluntary or involuntary closure of schools regulated under this chapter, the director shall establish, maintain, and administer a department of licensing tuition recovery trust fund created in RCW 18.16.320. (3) Money from the department of licensing tuition recovery trust fund may be used for:

(a) Providing refunds to students affected by school closures;

(b) Securing and administering student records; and

(c) Any other response the director determines is necessary to mitigate impacts of a potential or actual school closure.

(4) In order for a school to be and remain licensed under this chapter, each school owner shall, in addition to other requirements under this chapter, make cash deposits on behalf of the school into the department of licensing tuition recovery trust fund.

(5) The department of licensing tuition recovery trust fund's liability with respect to each participating school commences on the date of the initial deposit into the department of licensing tuition

recovery trust fund made on its behalf and ceases one year from the date the school is no longer licensed under this chapter.

(6) The director shall adopt by rule a matrix for calculating the deposits into the department of licensing tuition recovery trust fund on behalf of each school.

(7) No vested right or interest in deposited funds is created or implied for the depositor at any time during the operation of the department of licensing tuition recovery trust fund or at any such future time that the department of licensing tuition recovery trust fund may be dissolved. All funds deposited are payable to the state for the purposes described in this section. The director shall maintain the department of licensing tuition recovery trust fund, serve appropriate notices to affected owners when scheduled deposits are due, collect deposits, and make disbursements to settle claims against the department of licensing tuition recovery trust fund.

(c) Comply with any and all other requirements regarding multistate licenses which the commission may by rule provide.

(7) A licensee practicing in a member state is subject to all scope of practice laws governing cosmetology services in that state.

(8) The practice of cosmetology under a multistate license granted pursuant to this compact will subject the licensee to the jurisdiction of the state licensing authority, the courts, and the laws of the member state in which the cosmetology services are provided.

## **ARTICLE 5**

### **REISSUANCE OF A MULTISTATE LICENSE BY A NEW HOME STATE**

(1) A licensee may hold a multistate license, issued by their home state, in only one member state at any given time.

(2) If a licensee changes their home state by moving between two member states:

(a) The licensee shall immediately apply for the reissuance of their multistate license in their new home state. The licensee shall pay all applicable fees and notify the prior home state in accordance with the rules of the commission.

(b) Upon receipt of an application to reissue a multistate license, the new home state shall verify that the multistate license is active, unencumbered, and eligible for reissuance under the terms of the compact and the rules of the commission. The multistate license issued by the prior home state will be deactivated and all member

states notified in accordance with the applicable rules adopted by the commission.

(c) If required for initial licensure, the new home state may require a background check as specified in the laws of that state, or the compliance with any jurisprudence requirements of the new home state.

(d) Notwithstanding any other provision of this compact, if a licensee does not meet the requirements set forth in this compact for the reissuance of a multistate license by the new home state, then the licensee shall be subject to the new home state requirements for the issuance of a single-state license in that state.

(3) If a licensee changes their primary state of residence by moving from a member state to a nonmember state, or from a nonmember state to a member state, then the licensee shall be subject to the state requirements for the issuance of a single-state license in the new home state.

(4) Nothing in this compact shall interfere with a licensee's ability to hold a single-state license in multiple states; however, for the purposes of this compact, a licensee shall have only one home state, and only one multistate license.

(5) Nothing in this compact shall interfere with the requirements established by a member state for the issuance of a single-state license.

## **ARTICLE 6**

### **AUTHORITY OF THE COMPACT COMMISSION AND MEMBER STATE LICENSING AUTHORITIES**

(1) Nothing in this compact, nor any rule or regulation of the commission, shall be construed to limit, restrict, or in any way reduce the ability of a member state to enact and enforce laws, regulations, or other rules related to the practice of cosmetology in that state, where those laws, regulations, or other rules are not inconsistent with the provisions of this compact.

(2) Insofar as practical, a member state's state licensing authority shall cooperate with the commission and with each entity exercising independent regulatory authority over the practice of cosmetology according to the provisions of this compact.

(3) Discipline shall be the sole responsibility of the state in which cosmetology services are provided. Accordingly, each member state's state licensing authority shall be responsible for receiving complaints about individuals practicing cosmetology in that state, and for communicating all relevant investigative information about any such adverse action to the other member states through the data system in addition to any other methods the commission may by rule require.

## **ARTICLE 7**

### **ADVERSE ACTIONS**

(1) A licensee's home state shall have exclusive power to impose an adverse action against a licensee's multistate license issued by the home state.

(2) A home state may take adverse action on a multistate license based on the investigative information, current significant investigative information, or adverse action of a remote state.

(3) In addition to the powers conferred by state law, each remote state's state licensing authority shall have the power to:

(a) Take adverse action against a licensee's authorization to practice cosmetology through the multistate license in that member state, provided that:

(i) Only the licensee's home state shall have the power to take adverse action against the multistate license issued by the home state; and

(ii) For the purposes of taking adverse action, the home state's state licensing authority shall give the same priority and effect to reported conduct received from a remote state as it would if such conduct had occurred within the home state. In so doing, the home state shall apply its own state laws to determine the appropriate action;

(b) Issue cease and desist orders or impose an encumbrance on a licensee's authorization to practice within that member state;

(c) Complete any pending investigations of a licensee who changes their primary state of residence during the course of such an investigation. The state licensing authority shall also be empowered to report the results of such an investigation to the commission through the data system as described in this compact;

(d) Issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses, as well as the production of evidence. Subpoenas issued by a state licensing authority in a member state for the attendance and testimony of witnesses or the production of evidence from another member state shall be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings before it. The issuing state licensing authority shall pay any witness fees, travel expenses, mileage, and other fees required by the service statutes of the state in which the witnesses or evidence are located;

(e) If otherwise permitted by state law, recover from the affected licensee the costs of investigations and disposition of cases resulting from any adverse action taken against that licensee;

(f) Take adverse action against the licensee's authorization to practice in that state based on the factual findings of another remote state.

(4) A licensee's home state shall complete any pending investigation(s) of a cosmetologist who changes their primary state of residence during the course of the investigation(s). The home state shall also have the authority to take appropriate action(s) and shall promptly report the conclusions of the investigations to the data system.

(5) If an adverse action is taken by the home state against a licensee's multistate license, the licensee's authorization to practice in all other member states shall be deactivated until all encumbrances have been removed from the home state license. All home state disciplinary orders that impose an adverse action against a licensee's multistate license shall include a statement that the cosmetologist's authorization to practice is deactivated in all member states during the pendency of the order.

(6) Nothing in this compact shall override a member state's authority to accept a licensee's participation in an alternative program in lieu of adverse action. A licensee's multistate license shall be suspended for the duration of the licensee's participation in any alternative program.

(7) Joint investigations.

(a) In addition to the authority granted to a member state by its respective scope of practice laws or other applicable state law, a member state may participate with other member states in joint investigations of licensees.

(b) Member states shall share any investigative, litigation, or compliance materials in furtherance of any joint or individual investigation initiated under this compact.

## **ARTICLE 8 ACTIVE MILITARY MEMBERS AND THEIR SPOUSES**

Active military members, or their spouses, shall designate a home state where the individual has a current license to practice cosmetology in good standing. The individual may retain their home state designation during any period of service when that individual or their spouse is on active duty assignment.

## **ARTICLE 9 ESTABLISHMENT AND OPERATION OF THE COSMETOLOGY LICENSURE COMPACT COMMISSION**

(1) The compact member states hereby create and establish a joint government agency whose membership consists of all member states that have enacted the compact known as the cosmetology licensure compact commission. The commission is an instrumentality of the compact member states acting jointly and not an instrumentality of any one state. The commission shall come into existence on or after the effective date of the compact as set forth in Article 13 of this compact.

(2) Membership, voting, and meetings.

(a) Each member state shall have and be limited to one delegate selected by that member state's state licensing authority.

(c) The commission shall by rule or bylaw establish a term of office for delegates and may by rule or bylaw establish term limits.

(d) The commission may recommend removal or suspension of any delegate from office.

(f) Each delegate shall be entitled to one vote on all matters that are voted on by the commission.

(g) The commission shall meet at least once during each calendar year. Additional meetings may be held as set forth in the bylaws. The commission may meet by telecommunication, videoconference, or other similar electronic means.

(3) The commission shall have the following powers:

(b) Establish code of conduct and conflict of interest policies;

(c) Adopt rules and bylaws;

(d) Maintain its financial records in accordance with the bylaws;

(e) Meet and take such actions as are consistent with the provisions of this compact, the commission's rules, and the bylaws;

(f) Initiate and conclude legal proceedings or actions in the name of the commission, provided that the standing of any state licensing authority to sue or be sued under applicable law shall not be affected;

(g) Maintain and certify records and information provided to a member state as the authenticated business records of the commission, and designate an agent to do so on the commission's behalf;

(h) Purchase and maintain insurance and bonds;

(i) Borrow, accept, or contract for services of personnel including, but not limited to, employees of a member state;

(j) Conduct an annual financial review;

(k) Hire employees, elect or appoint officers, fix compensation, define duties, grant such individuals appropriate authority to carry out the purposes of the compact, and establish the commission's personnel policies and programs relating to conflicts of interest, qualifications of personnel, and other related personnel matters;

(l) As set forth in the commission rules, charge a fee to a licensee for the grant of a multistate license and thereafter, as may be established by commission rule, charge the licensee a multistate license renewal fee for each renewal period. Nothing in this compact shall be construed to prevent a home state from charging a licensee a fee for a multistate license or renewals of a multistate license, or a fee for the jurisprudence requirement if the member state imposes such a requirement for the grant of a multistate license;

(m) Assess and collect fees;

(n) Accept any and all appropriate gifts, donations, grants of money, other sources of revenue, equipment, supplies, materials, and services, and receive, utilize, and dispose of the same; provided that at all times the commission shall avoid any appearance of impropriety or conflict of interest;

(o) Lease, purchase, retain, own, hold, improve, or use any property, real, personal, or mixed, or any undivided interest therein;

(p) Sell, convey, mortgage, pledge, lease, exchange, abandon, or otherwise dispose of any property, real, personal, or mixed;

(q) Establish a budget and make expenditures;

(r) Borrow money;

(s) Appoint committees, including standing committees, composed of members, state regulators, state legislators or their representatives, and consumer representatives, and such other interested persons as may be designated in this compact and the bylaws;

(t) Provide and receive information from, and cooperate with, law enforcement agencies;

(u) Elect a chair, vice chair, secretary, and treasurer and such other officers of the commission as provided in the commission's bylaws;

(v) Establish and elect an executive committee, including a chair and a vice chair;

(w) Adopt and provide to the member states an annual report;

(x) Determine whether a state's adopted language is materially different from the model compact language such that the state would not qualify for participation in the compact; and

(y) Perform such other functions as may be necessary or appropriate to achieve the purposes of this compact.

(4) The executive committee.

(a) The executive committee shall have the power to act on behalf of the commission according to the terms of this compact. The powers, duties, and responsibilities of the executive committee shall include:

(i) Overseeing the day-to-day activities of the administration of the compact including compliance with the provisions of the compact,

the commission's rules and bylaws, and other such duties as deemed necessary;

(ii) Recommending to the commission changes to the rules or bylaws, changes to this compact legislation, fees charged to compact member states, fees charged to licensees, and other fees;

(iii) Ensuring compact administration services are appropriately provided, including by contract;

(iv) Preparing and recommending the budget;

(v) Maintaining financial records on behalf of the commission;

(vi) Monitoring compact compliance of member states and providing compliance reports to the commission;

(vii) Establishing additional committees as necessary;

(viii) Exercising the powers and duties of the commission during the interim between commission meetings, except for adopting or amending rules, adopting or amending bylaws, and exercising any other powers and duties expressly reserved to the commission by rule or bylaw; and

(ix) Other duties as provided in the rules or bylaws of the commission.

(b)(i) The executive committee shall be composed of up to seven voting members:

(A) The chair and vice chair of the commission and any other members of the commission who serve on the executive committee shall be voting members of the executive committee; and

(B) Other than the chair, vice chair, secretary, and treasurer, the commission shall elect three voting members from the current membership of the commission.

(ii) The commission may elect ex officio, nonvoting members from a recognized national cosmetology professional association as approved by the commission. The commission's bylaws shall identify qualifying organizations and the manner of appointment if the number of organizations seeking to appoint an ex officio member exceeds the number of members specified in this Article.

(c) The commission may remove any member of the executive committee as provided in the commission's bylaws.

(d) The executive committee shall meet at least annually.

(i) Annual executive committee meetings, as well as any executive committee meeting at which it does not take or intend to take formal action on a matter for which a commission vote would otherwise be required, shall be open to the public, except that the executive committee may meet in a closed, nonpublic session of a public meeting when dealing with any of the matters covered under subsection (6)(d) of this Article.

(ii) The executive committee shall give five business days' advance notice of its public meetings, posted on its website and as determined to provide notice to persons with an interest in the public matters the executive committee intends to address at those meetings.

(e) The executive committee may hold an emergency meeting when acting for the commission to:

(i) Meet an imminent threat to public health, safety, or welfare;

(ii) Prevent a loss of commission or member state funds; or

(iii) Protect public health and safety.

(5) The commission shall adopt and provide to the member states an annual report.

(6) Meetings of the commission.

(a) All meetings of the commission that are not closed pursuant to (d) of this subsection shall be open to the public. Notice of

public meetings shall be posted on the commission's website at least 30 days prior to the public meeting.

(b) Notwithstanding (a) of this subsection, the commission may convene an emergency public meeting by providing at least 24 hours' prior notice on the commission's website, and any other means as provided in the commission's rules, for any of the reasons it may dispense with notice of proposed rule making under Article 11(12) of this compact. The commission's legal counsel shall certify that one of the reasons justifying an emergency public meeting has been met.

(c) Notice of all commission meetings shall provide the time, date, and location of the meeting, and if the meeting is to be held or accessible via telecommunication, videoconference, or other electronic means, the notice shall include the mechanism for access to the meeting.

(d) The commission may convene in a closed, nonpublic meeting for the commission to discuss:

(i) Noncompliance of a member state with its obligations under the compact;

(ii) The employment, compensation, discipline, or other matters, practices, or procedures related to specific employees or other matters related to the commission's internal personnel practices and procedures;

(iii) Current or threatened discipline of a licensee by the commission or by a member state's state licensing authority;

(iv) Current, threatened, or reasonably anticipated litigation;

(v) Negotiation of contracts for the purchase, lease, or sale of goods, services, or real estate;

(vi) Accusing any person of a crime or formally censuring any person;

(vii) Trade secrets or commercial or financial information that is privileged or confidential;

(viii) Information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(ix) Investigative records compiled for law enforcement purposes;

(x) Information related to any investigative reports prepared by or on behalf of or for use of the commission or other committee charged with responsibility of investigation or determination of compliance issues pursuant to the compact;

(xi) Legal advice;

(xii) Matters specifically exempted from disclosure to the public by federal or member state law; or

(xiii) Other matters as promulgated by the commission by rule.

(e) If a meeting, or portion of a meeting, is closed, the presiding officer shall state that the meeting will be closed and reference each relevant exempting provision, and such reference shall be recorded in the minutes.

(f) The commission shall keep minutes that fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, and the reasons therefore, including a description of the views expressed. All documents considered in connection with an action shall be identified in such minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release only by a majority vote of the commission or order of a court of competent jurisdiction.

(7) Financing of the commission.

(a) The commission shall pay, or provide for the payment of, the reasonable expenses of its establishment, organization, and ongoing activities.

(b) The commission may accept any and all appropriate sources of revenue, donations, and grants of money, equipment, supplies, materials, and services.

(c) The commission may levy on and collect an annual assessment from each member state and impose fees on licensees of member states to whom it grants a multistate license to cover the cost of the operations and activities of the commission and its staff, which must be in a total amount sufficient to cover its annual budget as approved each year for which revenue is not provided by other sources. The aggregate annual assessment amount for member states shall be allocated based upon a formula that the commission shall promulgate by rule.

(d) The commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the commission pledge the credit of any member states, except by and with the authority of the member state.

(e) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the financial review and accounting procedures established under its bylaws. All receipts and disbursements of funds handled by the commission shall be subject to an annual financial review by a certified or licensed public accountant, and the report of the financial review shall be included in and become part of the annual report of the commission.

(8) Qualified immunity, defense, and indemnification.

(a) The members, officers, executive director, employees, and representatives of the commission shall be immune from suit and liability, both personally and in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error, or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities; provided that nothing in this subsection (8)(a) shall be construed to protect any such person from suit or liability for any damage, loss, injury, or liability caused by the intentional or willful or wanton misconduct of that person. The procurement of insurance of any type by the commission shall not in anyway compromise or limit the immunity granted hereunder.

(b) The commission shall defend any member, officer, executive director, employee, and representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or as determined by the commission that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining their own counsel at their own expense; and provided further, that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

(c) The commission shall indemnify and hold harmless any member, officer, executive director, employee, and representative of the commission for the amount of any settlement or judgment obtained

against that person arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of that person.

(d) Nothing herein shall be construed as a limitation on the liability of any licensee for professional malpractice or misconduct, which shall be governed solely by any other applicable state laws.

(e) Nothing in this compact shall be interpreted to waive or otherwise abrogate a member state's state action immunity or state action affirmative defense with respect to antitrust claims under the Sherman act, Clayton act, or any other state or federal antitrust or anticompetitive law or regulation.

(f) Nothing in this compact shall be construed to be a waiver of sovereign immunity by the member states or by the commission.

#### **ARTICLE 10 DATA SYSTEM**

(1) The commission shall provide for the development, maintenance, operation, and utilization of a coordinated database and reporting system.

(2) The commission shall assign each applicant for a multistate license a unique identifier, as determined by the rules of the commission.

(3) Notwithstanding any other provision of state law to the contrary, a member state shall submit a uniform data set to the data system on all individuals to whom this compact is applicable as required by the rules of the commission, including:

(a) Identifying information;

(b) Licensure data;

(c) Adverse actions against a license and information related thereto;

(d) Nonconfidential information related to alternative program participation, the beginning and ending dates of such participation, and other information related to such participation;

(e) Any denial of application for licensure, and the reason(s) for such denial (excluding the reporting of any criminal history record information where prohibited by law);

(f) The existence of investigative information;

(g) The existence of current significant investigative information; and

(h) Other information that may facilitate the administration of this compact or the protection of the public, as determined by the rules of the commission.

(4) The records and information provided to a member state pursuant to this compact or through the data system, when certified by the commission or an agent thereof, shall constitute the authenticated business records of the commission, and shall be entitled to any associated hearsay exception in any relevant judicial, quasi-judicial, or administrative proceedings in a member state.

(5) The existence of current significant investigative information and the existence of investigative information pertaining to a licensee in any member state will only be available to other member states.

(6) It is the responsibility of the member states to monitor the database to determine whether adverse action has been taken against such a licensee or license applicant. Adverse action information pertaining to a licensee or license applicant in any member state will be available to any other member state.

(7) Member states contributing information to the data system may designate information that may not be shared with the public without the express permission of the contributing state.

(8) Any information submitted to the data system that is subsequently expunged pursuant to federal law or the laws of the member state contributing the information shall be removed from the data system.

## **ARTICLE 11 RULE MAKING**

(1) The commission shall promulgate reasonable rules in order to effectively and efficiently implement and administer the purposes and provisions of this compact. A rule shall be invalid and have no force or effect only if a court of competent jurisdiction holds that the rule is invalid because the commission exercised its rule-making authority in a manner that is beyond the scope and purposes of the compact, or the powers granted hereunder, or based upon another applicable standard of review.

(2) The rules of the commission shall have the force of law in each member state, provided however that where the rules of the commission conflict with the laws of the member state that establish the member state's scope of practice laws governing the practice of cosmetology as held by a court of competent jurisdiction, the rules of the commission shall be ineffective in that state to the extent of the conflict.

(3) The commission shall exercise its rule-making powers pursuant to the criteria set forth in this Article and the rules adopted thereunder. Rules shall become binding as of the date specified by the commission for each rule.

(4) If a majority of the legislatures of the member states rejects a rule or portion of a rule, by enactment of a statute or resolution in the same manner used to adopt the compact within four years of the date of adoption of the rule, then such rule shall have no further force and effect in any member state or to any state applying to participate in the compact.

(5) Rules shall be adopted at a regular or special meeting of the commission.

(6) Prior to adoption of a proposed rule, the commission shall hold a public hearing and allow persons to provide oral and written comments, data, facts, opinions, and arguments.

(7) Prior to adoption of a proposed rule by the commission, and at least 30 days in advance of the meeting at which the commission will hold a public hearing on the proposed rule, the commission shall provide a notice of proposed rule making:

(a) On the website of the commission or other publicly accessible platform;

(b) To persons who have requested notice of the commission's notices of proposed rule making; and

(c) In such other way(s) as the commission may by rule specify.

(8) The notice of proposed rule making shall include:

(a) The time, date, and location of the public hearing at which the commission will hear public comments on the proposed rule and, if

different, the time, date, and location of the meeting where the commission will consider and vote on the proposed rule;

(b) If the hearing is held via telecommunication, videoconference, or other electronic means, the commission shall include the mechanism for access to the hearing in the notice of proposed rule making;

(c) The text of the proposed rule and the reason therefor;

(d) A request for comments on the proposed rule from any interested person; and

(e) The manner in which interested persons may submit written comments.

(9) All hearings will be recorded. A copy of the recording and all written comments and documents received by the commission in response to the proposed rule shall be available to the public.

(10) Nothing in this Article shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this Article.

(11) The commission shall, by majority vote of all members, take final action on the proposed rule based on the rule-making record and the full text of the rule.

(a) The commission may adopt changes to the proposed rule provided the changes do not enlarge the original purpose of the proposed rule.

(b) The commission shall provide an explanation of the reasons for substantive changes made to the proposed rule as well as reasons for substantive changes not made that were recommended by commenters.

(c) The commission shall determine a reasonable effective date for the rule. Except for an emergency as provided in Article 11(12) of this compact, the effective date of the rule shall be no sooner than 45 days after the commission issuing the notice that it adopted or amended the rule.

(12) Upon determination that an emergency exists, the commission may consider and adopt an emergency rule with five days' notice, with opportunity to comment, provided that the usual rule-making procedures provided in the compact and in this Article shall be retroactively applied to the rule as soon as reasonably possible, in no event later than 90 days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately to:

(a) Meet an imminent threat to public health, safety, or welfare;

(b) Prevent a loss of commission or member state funds;

(c) Meet a deadline for the promulgation of a rule that is established by federal law or rule; or

(d) Protect public health and safety.

(13) The commission or an authorized committee of the commission may direct revisions to a previously adopted rule for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

(14) No member state's rule-making requirements shall apply under this compact.

## **ARTICLE 12**

### **OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT**

(1) Oversight.

(a) The executive and judicial branches of state government in each member state shall enforce this compact and take all actions necessary and appropriate to implement the compact.

(b) Venue is proper and judicial proceedings by or against the commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the commission is located. The commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings. Nothing herein shall affect or limit the selection or propriety of venue in any action against a licensee for professional malpractice, misconduct, or any such similar matter.

(c) The commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the compact and shall have standing to intervene in such a proceeding for all purposes. Failure to provide the commission service of process shall render a judgment or order void as to the commission, this compact, or promulgated rules.

(2) Default, technical assistance, and termination.

(a) If the commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall provide written notice to the defaulting state. The notice of default shall describe the default, the proposed means of curing the default, and any other action that the commission may take, and shall offer training and specific technical assistance regarding the default.

(b) The commission shall provide a copy of the notice of default to the other member states.

(c) If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the delegates of the member states, and all rights, privileges, and benefits conferred on that state by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(d) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, the defaulting state's state licensing authority, and each of the member states' state licensing authority.

(e) A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

(f) Upon the termination of a state's membership from this compact, that state shall immediately provide notice to all licensees who hold a multistate license within that state of such termination. The terminated state shall continue to recognize all licenses granted pursuant to this compact for a minimum of 180 days after the date of said notice of termination.

(g) The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state.

(h) The defaulting state may appeal the action of the commission by petitioning the United States district court for the District of Columbia or the federal district where the commission has its principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorneys' fees.

(3) Dispute resolution.

(a) Upon request by a member state, the commission shall attempt to resolve disputes related to the compact that arise among member states and between member and nonmember states.

(b) The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

(4) Enforcement.

(a) The commission, in the reasonable exercise of its discretion, shall enforce the provisions of this compact and the commission's rules.

(b) By majority vote as provided by commission rule, the commission may initiate legal action against a member state in default in the United States district court for the District of Columbia or the federal district where the commission has its principal offices to enforce compliance with the provisions of the compact and its promulgated rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorneys' fees. The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or the defaulting member state's law.

(c) A member state may initiate legal action against the commission in the United States District Court for the District of Columbia or the federal district where the commission has its principal offices to enforce compliance with the provisions of the compact and its promulgated rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorneys' fees.

(d) No individual or entity other than a member state may enforce this compact against the commission.

### **ARTICLE 13**

#### **EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT**

(1) The compact shall come into effect on the date on which the compact statute is enacted into law in the seventh member state.

(a) On or after the effective date of the compact, the commission shall convene and review the enactment of each of the charter member states to determine if the statute enacted by each such charter member state is materially different than the model compact statute.

(i) A charter member state whose enactment is found to be materially different from the model compact statute shall be entitled to the default process set forth in Article 12 of this compact.

(ii) If any member state is later found to be in default, or is terminated or withdraws from the compact, the commission shall remain in existence and the compact shall remain in effect even if the number of member states should be less than seven.

(b) Member states enacting the compact subsequent to the charter member states shall be subject to the process set forth in Article 9(3)(x) of this compact to determine if their enactments are materially different from the model compact statute and whether they qualify for participation in the compact.

(c) All actions taken for the benefit of the commission or in furtherance of the purposes of the administration of the compact prior to the effective date of the compact or the commission coming into existence shall be considered to be actions of the commission unless specifically repudiated by the commission.

(d) Any state that joins the compact shall be subject to the commission's rules and bylaws as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state.

(2) Any member state may withdraw from this compact by enacting a statute repealing that state's enactment of the compact.

(a) A member state's withdrawal shall not take effect until 180 days after enactment of the repealing statute.

(b) Withdrawal shall not affect the continuing requirement of the withdrawing state's state licensing authority to comply with the investigative and adverse action reporting requirements of this compact prior to the effective date of withdrawal.

(c) Upon the enactment of a statute withdrawing from this compact, a state shall immediately provide notice of such withdrawal to all licensees within that state. Notwithstanding any subsequent statutory enactment to the contrary, such withdrawing state shall continue to recognize all licenses granted pursuant to this compact for a minimum of 180 days after the date of such notice of withdrawal.

(3) Nothing contained in this compact shall be construed to invalidate or prevent any licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this compact.

(4) This compact may be amended by the member states. No amendment to this compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

#### **CONSTRUCTION AND SEVERABILITY**

(1) This compact and the commission's rule-making authority shall be liberally construed so as to effectuate the purposes and the implementation and administration of the compact. Provisions of the compact expressly authorizing or requiring the promulgation of rules shall not be construed to limit the commission's rule-making authority solely for those purposes.

(2) The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is held by a court of competent jurisdiction to be contrary to the Constitution of any member state, a state seeking participation in the compact, or of the United States, or the applicability thereof to any government, agency, person, or circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity of the remainder of this compact and the applicability thereof to any other government, agency, person, or circumstance shall not be affected thereby.

(3) Notwithstanding subsection (2) of this Article, the commission may deny a state's participation in the compact or, in accordance with the requirements of Article 12 of this compact,

terminate a member state's participation in the compact, if it determines that a constitutional requirement of a member state is a material departure from the compact. Otherwise, if this compact shall be held to be contrary to the Constitution of any member state, the compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.

#### **ARTICLE 15**

(2) Any laws, statutes, regulations, or other legal requirements in a member state in conflict with the compact are superseded to the extent of the conflict.

(3) All permissible agreements between the commission and the member states are binding in accordance with their terms. [2025 c 238 s 1.]
