[1989 c 84 s 31.]

RCW 35.61.010 Creation—Territory included. A metropolitan park district may be created for the management, control, improvement, maintenance, and acquisition of parks, parkways, boulevards, and recreational facilities. [1943 c 264 s 23.]

RCW 35.61.020 Election—Resolution or petition—Area—Limitations. (1) When proposed by citizen petition or by local government resolution as provided in this section, a ballot proposition authorizing the creation of a metropolitan park district must be submitted by resolution to the voters of the area proposed to be included in the district at any general election, or at any special election which may be called for that purpose.

(2) The ballot proposition must be submitted if the governing body of each city in which all or a portion of the proposed district is located, and the legislative authority of each county in which all or a portion of the proposed district is located within the unincorporated portion of the county, each adopts a resolution submitting the proposition to create a metropolitan park district.

(3) As an alternative to the method provided under subsection (2) of this section, the ballot proposition must be submitted if a petition proposing creation of a metropolitan park district is submitted to the county auditor of each county in which all or a portion of the proposed district is located that is signed by at least fifteen percent of the registered voters residing in the area to be included within the proposed district. Where the petition is for creation of a district in more than one county, the petition must be filed with the county auditor of the county having the greater area of the proposed district, and a copy filed with each other county auditor of the other counties covering the proposed district.

(4) Territory by virtue of its annexation to any city whose territory lies entirely within a park district are deemed to be within the limits of the metropolitan park district. Such an extension of a park district's boundaries is not subject to review by a boundary review board independent of the board's review of the city annexation of territory.

(5) A city, county, or contiguous group of cities or counties proposing or approving a petition regarding formation of a metropolitan park district may limit the purpose and may limit the taxing powers of such proposed metropolitan park district in its resolution in cases where the metropolitan park district is being formed for specifically identified facilities referenced in (a) of this subsection. The ballot proposition must reflect such limitations as follows:

(a) A city, county, or contiguous group of cities or counties may limit the proposed district's purposes to providing the funds necessary to acquire, construct, renovate, expand, operate, maintain, and provide programming for specifically identified public parks or recreational facilities that are otherwise authorized by law for metropolitan park districts. The ballot proposition must specifically identify those public parks or recreational facilities to be funded, which identification may be made by referencing a metropolitan park

district plan that has been approved by the legislative authority of the city, county, or contiguous group of cities or counties proposing the formation of the district;

(b) A city, county, or contiguous group of cities or counties may limit the maximum levy rate that is available to such metropolitan park district to any levy rate that does not exceed the aggregate rate set forth under RCW 35.61.210(1). The ballot proposition must state the maximum regular levy rate.

(6) Nothing herein prevents a city, county, or contiguous group of cities or counties from proposing formation of a metropolitan park district that is not limited under subsection (5) of this section.

Where the petition or copy thereof is filed with two or more county auditors in the case of a proposed district in two or more counties, the county auditors shall confer and issue a joint certification upon finding that the required number of signatures on the petition has been obtained.

(2) Where the proposed district is located wholly or in part in a county in which a boundary review board has been created, notice of the proposal to create a metropolitan park district shall be filed with the boundary review board as provided under RCW 36.93.090 and the special election at which a ballot proposition authorizing creation of the park district shall be held on the special election date specified under RCW 29A.04.330 that is sixty or more days after the date the boundary review board is deemed to have approved the proposal, approves the proposal, or modifies and approves the proposal. The creation of a metropolitan park district is not subject to review by a boundary review board if the proposed district only includes one or more cities and in such cases the special election at which a ballot proposition authorizing creation of the park district shall be held as if a boundary review board does not exist in the county or counties.

(3) The petition proposing the creation of a metropolitan park district, or the resolution submitting the question to the voters, shall choose and describe the composition of the initial board of commissioners of the district that is proposed under RCW 35.61.050 and shall choose a name for the district. The ballot proposition shall clearly describe the designated composition of the board.

(2) The commissioners of the district may be selected by election, in which case at the same election at which the proposition is submitted to the voters as to whether a metropolitan park district is to be formed, five park commissioners shall be elected. The election of park commissioners shall be null and void if the metropolitan park district is not created. Candidates shall run for specific commission positions. No primary shall be held to nominate candidates. The person receiving the greatest number of votes for each position shall be elected as a commissioner. The staggering of the terms of office shall occur as follows: (a) The two persons who are elected receiving the two greatest numbers of votes shall be elected to six-year terms of office if the election is held in an odd-numbered year or five-year terms of office if the election is held in an even-numbered year; (b) the two persons who are elected receiving the next two greatest numbers of votes shall be elected to four-year terms of office if the election is held in an odd-numbered year or three-year terms of office if the election is held in an even-numbered year; and (c) the other person who is elected shall be elected to a two-year term of office if the election is held in an odd-numbered year or a one-year term of office if the election is held in an even-numbered year. Thereafter, all commissioners shall be elected to six-year terms of office. All commissioners shall serve until their respective successors are elected and qualified and assume office in accordance with RCW

(3) In a district wholly located within a city or within the unincorporated area of a county, the governing body of such city or legislative authority of such county may be designated to serve in an ex officio capacity as the board of metropolitan park commissioners, provided that when creation of the district is proposed by citizen petition, the city or county approves by resolution such designation.

(4) Where the proposed district is located within more than one city, more than one county, or any combination of cities and counties, each city governing body and county legislative authority may be designated to collectively serve ex officio as the board of metropolitan park commissioners through selection of one or more members from each to serve as the board, provided that when creation of the district is proposed by citizen petition, each city governing body and county legislative authority approve by resolution such designation. Within six months of the date of certification of election results approving creation of the district, the size and membership of the board shall be determined through interlocal agreement of each city and county. The interlocal agreement shall specify the method for filling vacancies on the board.

(5) Metropolitan park districts created by a vote of the people prior to June 13, 2002, may not change the composition and method of selection of their governing authority without approval of the voters. Should such a change be desired, the board of park commissioners shall submit a ballot proposition to the voters of the metropolitan park district. If the contract is let, then all checks,

cash, or bid bonds shall be returned to the bidders, except that of the successful bidder, which shall be retained until a contract is entered into for doing the work, and a bond to perform such work furnished with sureties satisfactory to the board of park commissioners in the full amount of the contract price between the bidder and the metropolitan park district in accordance with the bid. If the bidder fails to enter into the contract in accordance with the bid and furnish the bond within ten days from the date at which the bidder is notified that the bidder is the successful bidder, the check, cash, or bid bonds and the amount thereof shall be forfeited to the metropolitan park district. If the bidder fails to enter into a contract in accordance with the bidder's bid, and the board of park commissioners deems it necessary to take legal action to collect on any bid bond required by this section, then the metropolitan park district is entitled to collect from the bidder any legal expenses, including reasonable attorneys' fees occasioned thereby. A low bidder who claims error and fails to enter into a contract is prohibited from bidding on the same project if a second or subsequent call for bids is made for the project.

(2) As an alternative to requirements under subsection (1) of this section, a metropolitan park district may let contracts using the small works roster process under RCW 39.04.151 through 39.04.154.

(3) Any purchase of materials, supplies, or equipment, with an estimated cost in excess of \$40,000, shall be by contract. Any purchase of materials, supplies, or equipment, with an estimated cost of less than \$50,000 shall be made using the process provided in RCW 39.04.190. Any purchase of materials, supplies, or equipment with an estimated cost of \$50,000 or more shall be made by competitive bidding following the procedure for letting contracts for projects under subsection (1) of this section.

(4) As an alternative to requirements under subsection (3) of this section, a metropolitan park district may let contracts for purchase of materials, supplies, or equipment with the suppliers designated on current state agency, county, city, or town purchasing rosters for the materials, supplies, or equipment, when the roster has been established in accordance with the competitive bidding law for purchases applicable to the state agency, county, city, or town. The price and terms for purchases shall be as described on the applicable roster.

(5) The park board may waive the competitive bidding requirements of this section pursuant to RCW 39.04.280 if an exemption contained within RCW 39.04.280 applies to the purchase or public work. [2023 c 395 s 22; 2009 c 229 s 10; 2001 c 29 s 1.]

RCW 35.61.137 Community revitalization financing—Public improvements. In addition to other authority that a metropolitan park district possesses, a metropolitan park district may provide any public improvement as defined under RCW 39.89.020, but this additional authority is limited to participating in the financing of the public improvements as provided under RCW 39.89.050.

This section does not limit the authority of a metropolitan park district to otherwise participate in the public improvements if that authority exists elsewhere. [2001 c 212 s 12.]

RCW 35.61.140 Park commissioners—Civil service for employees.

A metropolitan park district may establish civil service for its employees by resolution upon the following plan:

(1) It shall create a civil service commission with authority to appoint a personnel officer and to make rules and regulations for classification based upon suitable differences in pay for differences in work, and for like pay for like work, and for competitive entrance and promotional examinations; for certifications, appointments, probationary service periods and for dismissals therein; for demotions and promotions based upon merit and for reemployments, suspensions, transfers, sick leaves and vacations; for lay-offs when necessary according to seniority; for separations from the service by discharge for cause; for hearings and reinstatements, for establishing status for incumbent employees, and for prescribing penalties for violations.

(2) The civil service commission and personnel officer shall adopt rules to be known as civil service rules to govern the administration of personnel transactions and procedure. The rules so adopted shall have the force and effect of law, and, in any and all proceedings, the rules shall be liberally interpreted and construed to the end that the purposes and basic requirements of the civil service system may be given the fullest force and effect. RCW 35.61.150 Park commissioners—Compensation. (1)

Metropolitan park commissioners selected by election according to RCW 35.61.050(2) shall perform their duties and may provide, by resolution passed by the commissioners, for the payment of compensation to each of its commissioners at a rate up to the daily compensation maximum amount provided in subsection (3) of this section for each day or portion of a day spent in actual attendance at official meetings or in performance of other official services or duties on behalf of the district. However, the compensation for each commissioner must not exceed the annual compensation maximum amount provided in subsection (3) of this section per year.

(2) Any commissioner may waive all or any portion of his or her compensation payable under this section as to any month or months during his or her term of office, by a written waiver filed with the clerk of the board. The waiver, to be effective, must be filed any time after the commissioner's election and prior to the date on which the compensation would otherwise be paid. The waiver shall specify the month or period of months for which it is made.

(3) (a) For purposes of the references in subsection (1) of this section, the daily compensation maximum amount is one hundred twenty-eight dollars and the annual compensation maximum amount is twelve thousand two hundred eighty-eight dollars. However, for any metropolitan park district with facilities including an aquarium, a wildlife park, and a zoo, accredited by a nationally recognized

accrediting agency, the annual compensation maximum amount is twenty-four thousand five hundred seventy-six dollars.

(b) The dollar thresholds established in this subsection (3) must be adjusted for inflation by the office of financial management every five years, beginning January 1, 2024, based upon changes in the consumer price index during that time period. "Consumer price index" means, for any calendar year, that year's annual average consumer price index, for Washington state, for wage earners and clerical workers, all items, compiled by the bureau of labor and statistics, United States department of labor. If the bureau of labor and statistics develops more than one consumer price index for areas within the state, the index covering the greatest number of people, covering areas exclusively within the boundaries of the state, and including all items shall be used for the adjustments for inflation in this section. The office of financial management must calculate the new dollar threshold and transmit it to the office of the code reviser for publication in the Washington State Register at least one month before the new dollar threshold is to take effect.

(4) A person holding office as commissioner for two or more special purpose districts shall receive only that per diem compensation authorized for one of his or her commissioner positions as compensation for attending an official meeting or conducting official services or duties while representing more than one of his or her districts. However, such commissioner may receive additional per diem compensation if approved by resolution of all boards of the affected commissions. (1) The county treasurer of the county within which all, or the major portion, of the district lies must be the ex officio treasurer of a metropolitan park district, but may receive no compensation other than his or her regular salary for receiving and disbursing the funds of a metropolitan park district.

(2) A metropolitan park district may designate someone other than the county treasurer who has experience in financial or fiscal affairs to act as the district treasurer if the board has received the approval of the county treasurer to designate this person; or if the district boundaries are coterminous with the boundaries of a city, the city may act as the district treasurer. If the board designates someone other than a county or city treasurer to act as the district treasurer, the board must purchase a bond from a surety company operating in the state that is sufficient to protect the district from loss. of the park district deem it advisable to apply any part thereof to the payment of bonded indebtedness, they shall advertise in a newspaper of general circulation within the park district for the presentation to them for payment of as many bonds as they may desire to pay with the funds on hand, the bonds to be paid in numerical order, beginning with the lowest number outstanding and called by number.

Thirty days after the first publication of the notice by the board calling in bonds they shall cease to bear interest, and this shall be stated in the notice. [1985 c 469 s 33; 1965 c 7 s 35.61.190. Prior: 1943 c 264 s 11; Rem. Supp. 1943 s 6741-11; prior: 1907 c 98 s 11; RRS s 6730.]

RCW 35.61.200 Park district bonds—Payment of interest. Any coupons for the payment of interest on metropolitan park district bonds shall be considered for all purposes as warrants drawn upon the metropolitan park district fund against which the bonds were issued, and when presented after maturity to the treasurer of the county having custody of the fund. If there are no funds in the treasury to pay the coupons, the county treasurer shall endorse said coupons as presented for payment, in the same manner as county warrants are endorsed, and thereafter the coupon shall bear interest at the same rate as the bond to which it was attached. If there are no funds in the treasury to make payment on a bond not having coupons, the interest payment shall continue bearing interest at the bond rate until it is paid, unless otherwise provided in the proceedings authorizing the sale of the bonds. RCW 35.61.210 Park district tax levy—Metropolitan park district fund. (1) The board of park commissioners may levy or cause to be levied a general tax on all the property located in said park district each year not to exceed fifty cents per thousand dollars of assessed value of the property in such park district. In addition, the board of park commissioners may levy or cause to be levied a general tax on all property located in said park district each year not to exceed twenty-five cents per thousand dollars of assessed valuation. Although park districts are authorized to impose two separate regular property tax levies, the levies are considered to be a single levy for purposes of the limitation provided for in chapter 84.55 RCW.

(2) The maximum levy rate of a metropolitan park district formed subject to the limitations set forth in RCW 35.61.020(5) must be the levy rate set forth in the ballot proposition. At any time after the initial formation of a district subject to a limitation under RCW 35.61.020(5), the board of metropolitan park commissioners may submit to the voters of the district at a general or special election a proposition to alter such maximum regular levy rate, which proposition becomes effective only upon approval by a majority of the votes cast on the proposition. The limitations provided in chapter 84.55 RCW do

not apply in the first year after the approval of any proposition under this subsection.

(3) The board is hereby authorized to levy a general tax in excess of its regular property tax levy or levies when authorized so to do at a special election conducted in accordance with and subject to all the requirements of the Constitution and laws of the state now in force or hereafter enacted governing the limitation of tax levies. The board is hereby authorized to call a special election for the purpose of submitting to the qualified voters of the park district a proposition to levy a tax in excess of the regular levy rates authorized for the district under subsection (1) or (2) of this section. The manner of submitting any such proposition, of certifying the same, and of giving or publishing notice thereof, must be as provided by law for the submission of propositions by cities, towns, or counties.

(4) The board must include in its general tax levy for each year a sufficient sum to pay the interest on all outstanding bonds and may include a sufficient amount to create a sinking fund for the redemption of all outstanding bonds. The levy must be certified to the proper county officials for collection the same as other general taxes and, for any metropolitan park district for which the county treasurer serves as the ex officio treasurer, when collected, the general tax must be placed in a separate fund in the office of the county treasurer to be known as the "metropolitan park district fund" and disbursed under RCW *36.29.010(1) and 39.58.750. Thereupon they may petition the city council to cause the improvement contemplated by the commissioners to be done and made on the local assessment plan, and the portion of the cost of the improvement as fixed by such assessment roll to be assessed

However, the police regulations of such city apply to all such premises.

(2) At any time that any such metropolitan park district is unable, through lack of sufficient funds, to provide for the continuous operation, maintenance and improvement of the parks and playgrounds and other properties or facilities owned by it or under its control, and the legislative body of any city within or comprising such metropolitan park district must determine that an emergency exists requiring the financial aid of such city to be extended in order to provide for such continuous operation, maintenance and/or improvement of parks, playgrounds facilities, other properties, and programs of such park district within its limits, such city may grant or loan to such metropolitan park district such of its available funds, or such funds that it may lawfully procure and make available, as it finds necessary to provide for such continuous operation and maintenance and, pursuant thereto, any such city and the board of park commissioners of such district are authorized and empowered to enter into an agreement embodying such terms and conditions of any such grant or loan as may be mutually agreed upon.

(2) A metropolitan park district is hereby given authority to issue refunding bonds when necessary, subject to chapters 39.36 and 39.53 RCW, in order to enable it to comply with this section.

(3) (a) In addition, refunding bonds issued under subsection (2) of this section for the purpose of assuming existing voter-approved indebtedness may be issued, by majority vote of the commissioners, as voter-approved indebtedness, if:

(i) The boundaries of the metropolitan park district are identical to the boundaries of the taxing district in which voter approval was originally obtained;

(ii) The governing body of the original taxing district has adopted a resolution declaring its intent to dissolve its operations and has named the metropolitan park district as its successor; and

(iii) The requisite number of voters of the original taxing district approved issuance of the indebtedness and the levy of excess taxes to pay and retire that indebtedness.

(b) A metropolitan park district acting under this subsection (3) is deemed the successor to the original taxing district and any refunding bonds issued under this subsection (3) constitute voter-approved indebtedness. RCW 35.61.360 Withdrawal or reannexation of areas. (1) As provided in this section, a metropolitan park district may withdraw areas from its boundaries, or reannex areas into the metropolitan park district that previously had been withdrawn from the metropolitan park district under this section.

(2) The withdrawal of an area shall be authorized upon: (a) Adoption of a resolution by the park district commissioners requesting the withdrawal and finding that, in the opinion of the commissioners, inclusion of this area within the metropolitan park district will result in a reduction of the district's tax levy rate under the provisions of RCW 84.52.010; and (b) adoption of a resolution by the city or town council approving the withdrawal, if the area is located within the city or town, or adoption of a resolution by the county legislative authority of the county within which the area is located approving the withdrawal, if the area is located outside of a city or town. A withdrawal shall be effective at the end of the day on the thirty-first day of December in the year in which the resolutions are adopted, but for purposes of establishing boundaries for property tax purposes, the boundaries shall be established immediately upon the adoption of the second resolution.

The withdrawal of an area from the boundaries of a metropolitan park district shall not exempt any property therein from taxation for the purpose of paying the costs of redeeming any indebtedness of the metropolitan park district existing at the time of the withdrawal.

(3) An area that has been withdrawn from the boundaries of a metropolitan park district under this section may be reannexed into the metropolitan park district upon: (a) Adoption of a resolution by the park district commissioners proposing the reannexation; and (b) adoption of a resolution by the city or town council approving the reannexation, if the area is located within the city or town, or adoption of a resolution by the county legislative authority of the county within which the area is located approving the reannexation, if the area is located outside of a city or town. The reannexation shall

be effective at the end of the day on the thirty-first day of December in the year in which the adoption of the second resolution occurs, but for purposes of establishing boundaries for property tax purposes, the boundaries shall be established immediately upon the adoption of the second resolution. Referendum action on the proposed reannexation may be taken by the voters of the area proposed to be reannexed if a petition calling for a referendum is filed with the city or town council, or county legislative authority, within a thirty-day period after the adoption of the second resolution, which petition has been signed by registered voters of the area proposed to be reannexed equal in number to ten percent of the total number of the registered voters residing in that area.

If a valid petition signed by the requisite number of registered voters has been so filed, the effect of the resolutions shall be held in abeyance and a ballot proposition to authorize the reannexation shall be submitted to the voters of the area at the next special election date according to RCW 29A.04.330. Approval of the ballot proposition authorizing the reannexation by a simple majority vote shall authorize the reannexation. [2006 c 344 s 24; 1987 c 138 s 2.]
