RCW 82.42.010 Definitions. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Air carrier" means any airline, air cargo carrier, air taxi, air commuter, or air charter operator, that provides routine air service to the general population for compensation or hire, and operates at least fifteen round trips per week between two or more points and publishes flight schedules which specify the times, days of the week, and points between which it operates. Where it is doubtful that an operation is for "compensation or hire," the test applied is

whether the air service is merely incidental to the person's other business or is, in itself, a major enterprise for profit.

(2) "Aircraft" means every contrivance now known or hereafter invented, used or designed for navigation of or flight in the air, operated or propelled by the use of aircraft fuel.

(3) "Aircraft fuel" means gasoline and any other inflammable liquid, by whatever name such liquid is known or sold, the chief use of which is as fuel for the propulsion of aircraft, except gas or liquid, the chief use of which as determined by the director, is for purposes other than the propulsion of aircraft.

(4) "Dealer" means any person engaged in the retail sale of aircraft fuel.

(5) "Deny" means to decline acceptance of an application for licensure or reinstatement.

(6) "Department" means the department of licensing.

(7) "Director" means the director of licensing.

(8) "Distributor" means any person engaged in the sale of aircraft fuel to any dealer and includes any dealer from whom the tax hereinafter imposed has not been collected.

(9) "Local service commuter" means an air taxi operator who operates at least five round-trips per week between two or more points; publishes flight schedules which specify the times, days of the week, and points between which it operates; and whose aircraft has a maximum capacity of 60 passengers or 18,000 pounds of useful load.

(10) "Person" means every natural person, firm, partnership, association, or private or public corporation.

(11) "Refuse" has the same meaning as "deny" in subsection (5) of this section.

(12) "Revoke" means to prohibit all authority granted by this chapter, including the display and use of credentials issued by the department for a period of one year or greater or for an indefinite period.

(13) "Suspend" means to restrict the grant of authority under this chapter for a period of less than one year. [2024 c 1 s 17. Prior: 2013 c 225 s 301; 1983 c 49 s 1; 1982 1st ex.s. c 25 s 1; 1979 c 158 s 229; 1969 ex.s. c 254 s 1; 1967 ex.s. c 10 s 1.]

RCW 82.42.020 Aircraft fuel tax imposed—Rate. There is levied upon every distributor of aircraft fuel, an excise tax at the rate of 18 cents on each gallon of aircraft fuel sold, delivered, or used in this state. There must be collected from every user of aircraft fuel either the use tax imposed by RCW 82.12.020 or the retail sales tax imposed by RCW 82.08.020. The taxes imposed by this chapter must be collected and paid to the state but once in respect to any aircraft fuel. RCW 82.42.040 Application—Bond—Investigation—Fee—Penalty for false statement. (1) Application for a license must be made to the department. The application must be filed in a manner prescribed by the department and must contain information the department requires.

(2) For purposes of this section, the term "applicant" has the same meaning as provided for "person" in RCW 82.42.010.

(3) An application for a license must contain the following information to the extent it applies to the applicant:

(a) Proof, as the department may require, concerning the applicant's identity;

(b) The applicant's business structure and place of business, including proof the applicant is licensed to conduct business in this state;

(4) An applicant must submit a surety bond in an amount, form, and manner set by the department. In lieu of a bond, an applicant may provide evidence to the department of sufficient assets to adequately meet tax payments, penalties, interest, or other obligations arising out of this chapter.

(5) For the purposes of considering any application for a license, the department may inspect, cause an inspection, investigate, or cause an investigation of the records of this or any other state, province, country, or the federal government to ascertain the veracity of the information on the application and the applicant's criminal, civil, and licensing history.

RCW 82.42.055 Computation and payment of tax—Remittance—Electronic funds transfer. (1) The tax must be computed by multiplying the tax rate per gallon by the number of gallons of fuel subject to the fuel tax.

(2) An aircraft fuel distributor is liable for and must pay the tax imposed under RCW 82.42.020 to the department on or before the twenty-fifth day of the month immediately following the reporting period. The tax report required in RCW 82.42.140 must accompany the remittance.

(3) If the tax is paid by electronic funds transfer, the tax must be paid on or before the twenty-sixth calendar day of the month immediately following the reporting period. If the payment due date falls on a Saturday, Sunday, or legal holiday, payment is due on the state business day immediately preceding the due date.

(4) The tax must be paid by electronic funds transfer whenever the amount due is fifty thousand dollars or more. [2013 c 225 s 405.]

Effective date—2013 c 225: See note following RCW 82.38.010.

RCW 82.42.065 Delinquency. (1) If a person is delinquent in the payment of any obligation, the department may give notice of the amount of delinquency to persons having possession or control of credits, personal and real property belonging to the person, or owing debts to the person. Any person notified may not transfer or dispose of credits, personal and real property, or debts without the consent of the department. A person notified must, within twenty days after receipt of notice, advise the department of any credits, personal and real property, or debts in their possession, under their control or owing by them, and must immediately deliver the credits, personal and real property, or debts to the department.

(2) The notice and order to withhold and deliver constitutes a continuing lien on property of the person. The department must include in the notice to withhold and deliver "continuing lien." The effective date of a notice to withhold and deliver is the date of mailing.

(3) If a person fails to timely answer the notice, a court may render a judgment, plus costs by default against the person. [2013 c 225 s 407.]

Effective date—2013 c 225: See note following RCW 82.38.010.

RCW 82.42.067 Delinquency—Seizure and sale of property. (1) If a person is delinquent in the payment of any obligation and the delinquency continues after notice and demand for payment the department must collect the amount due. The department must seize any property subject to the lien of tax, penalty, and interest and sell it at public auction. Notice of sale and the time and place must be given to the person and to all persons appearing with an interest in the property. The notice must be in writing at least ten days before the date of sale. Notice must be published for at least ten days before the date of sale in a newspaper of general circulation published in the county the property will be sold. If there is no newspaper of general circulation in the county, the notice must be posted in three public places in the county for a period of ten days. The notice must contain a description of the property together with a statement of the amount due, the name of the person and a statement that unless the amount is paid on or before the time in the notice the property will be sold.

(2) The department must sell the property and deliver to the purchaser a bill of sale or deed. If the moneys received exceed the amount due from the person, the excess must be returned to the person and a receipt obtained. If any person having an interest in or lien upon the property has filed notice with the department prior to the sale, the department must withhold payment of any excess to the person pending determination of the rights of the respective parties by a court of competent jurisdiction. If the receipt of the person is not available, the department must deposit the excess with the state treasurer as trustee for the person or their heirs, successors, or assigns. Prior to making any seizure of property, the department may first serve upon the person's bondsperson a notice of delinquency and demand for payment of the amount due. [2013 c 225 s 408.]

Effective date—2013 c 225: See note following RCW 82.38.010.

RCW 82.42.068 Payment of tax by a nonlicensee. Every person, other than a licensee, who acquires fuel upon which payment of tax is required, if the tax has not been paid, must comply with the provisions of this chapter, and pay tax at the rate provided in RCW 82.42.020. The person is subject to the same duties and penalties imposed upon licensees. [2013 c 225 s 412.]

Effective date—2013 c 225: See note following RCW 82.38.010.

RCW 82.42.075 Bonding requirements. (1) A license may not be issued or continued in force unless a bond is provided to secure payment of all taxes, interest, and penalties. This requirement may be waived for licensees properly bonded under the provisions of chapter 82.38 RCW or licensed aircraft fuel distributors who, upon determination by the department, have sufficient resources, assets, other financial instruments, or other means to adequately make payments on monthly aircraft fuel tax payments, penalties, and interest.

(2) The department may require a licensee to post a bond if the department determines a bond is required to protect the interests of the state.

(3) The total amount of the bond or bonds is three times the estimated monthly aircraft fuel tax liability. The total bonding amount may never be less than five thousand dollars nor more than one hundred thousand dollars.

(4) In lieu of a bond, a licensee may deposit with the state treasurer, a like amount of money of the United States or bonds or other obligations of the United States, the state, or any county of the state, of a market value not less than the amount of the required bond.

(5) The department may require a licensee to increase the bond amount or to deposit additional securities as described in this section if the security of the bond or the market value of the securities becomes impaired or inadequate.

(6) Any surety on a bond furnished by a licensee must be released and discharged from any liability accruing on such bond after the expiration of forty-five days from the date the surety provided written notification to the department. This subsection does not relieve, release, or discharge the surety from any liability accrued or which will accrue before the expiration of the forty-five day period. The department must promptly notify the licensee who furnished the bond, and unless the licensee, on or before the expiration of the forty-five day period, files a new bond the department must cancel the license. [2013 c 225 s 403.]

Effective date—2013 c 225: See note following RCW 82.38.010.

(a) Evade a tax or fee imposed under this chapter;

(b) Knowingly assist another person to evade a tax or fee imposed by this chapter;

(c) File a false statement of a material fact or otherwise commit any fraud or make a false representation on an aircraft fuel tax license application, aircraft fuel tax refund application, aircraft fuel tax return, aircraft fuel tax record, or aircraft fuel tax refund claim;

(e) Knowingly operate a conveyance for the purpose of hauling, transporting, or delivering aircraft fuel in bulk and not possess an invoice, bill of sale, or other statement showing the name, address, and tax license number of the seller or consignor, the destination, the name, address, and tax license number of the purchaser or consignee, and the number of gallons;

(f) Refuse to permit the department or its authorized representative to examine the person's books, papers, records, storage facilities, and equipment used in conjunction with the use, distribution, or sale of aircraft fuel;

(g) To display, or cause to permit to be displayed, or to have in possession, an aircraft fuel license knowing the same to be fictitious or to have been suspended, canceled, revoked, or altered;

(h) To lend to, or knowingly permit the use of, by one not entitled thereto, any aircraft fuel license issued to the person lending it or permitting it to be used;

(i) To display or to represent as one's own any aircraft fuel license not issued to the person displaying the same; and

(j) To use or to conspire with any governmental official, agent, or employee for the use of any requisition, purchase order, or any card or any authority to which he or she is not specifically entitled by government regulations, for the purpose of obtaining any aircraft fuel upon which the state tax has not been paid.

(b) Multiple violations of subsection (1)(a) and (b) of this section are a class C felony under chapter 9A.20 RCW.

(3) Violations of (1)(c) through (j) of this section are a gross misdemeanor under chapter 9A.20 RCW.

(4) In addition to other penalties and remedies provided by law, the court must order a person or corporation found guilty of violating subsection (1)(a) through (b) of this section to:

(a) Pay the tax or fee evaded plus interest, commencing at the date the tax or fee was first due, at the rate of twelve percent per year, compounded monthly; and

(b) Pay a penalty of one hundred percent of the tax evaded.

(5) The tax imposed by this chapter is held in trust by the licensee until paid to the department, and a licensee who appropriates the tax to his or her own use or to any use other than the payment of the tax is guilty of a felony or gross misdemeanor in accordance with the theft and anticipatory provisions of Title 9A RCW. A person, partnership, corporation, or corporate officer who fails to pay to the department the tax is personally liable to the state for the amount of the tax. [2013 c 225 s 420.]

Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for aviation-related purposes. Moneys collected from the consumer or user of aircraft fuel from either the use tax imposed by RCW 82.12.020 or the retail sales tax imposed by RCW 82.08.020 shall be transmitted to the state treasurer and credited to the state general fund. RCW 82.42.095 Date of mailing deemed date of filing or receipt—Timely mailing bars penalties and tolls statutory time limitations. An application, report, notice, payment, or claim for credit or refund properly addressed and deposited in the United States mail is deemed filed or received on the date shown by the post office cancellation mark on the envelope. No penalty for delinquency attaches, nor is the statutory period deemed to have elapsed in the case of credit or refund claims, if it is established by competent evidence that the application, report, notice, payment, or claim for credit or refund was properly addressed and timely deposited in the United States mail, if a duplicate of the document or payment is filed. [2013 c 225 s 406.]

Effective date—2013 c 225: See note following RCW 82.38.010.

RCW 82.42.100 Enforcement. The director is charged with the enforcement of the provisions of this chapter and rules and regulations promulgated hereunder. [2013 c 23 s 336; 1967 ex.s. c 10 s 10.]

RCW 82.42.110 Tax upon persons other than distributors—Imposition—Collection—Distribution—Enforcement. Every person other than a distributor who acquires any aircraft fuel within this state upon which payment of tax is required under the provisions of this chapter, or imports such aircraft fuel into this state and sells, delivers, or in any manner uses it in this state, if the tax has not been paid, is subject to the provisions of this chapter provided for aircraft fuel distributors and must pay a tax at the rate computed under RCW 82.42.020 for each gallon thereof so sold, delivered, or used in the manner provided for distributors. The proceeds of the tax imposed by this section must be distributed in the manner provided for the distribution of the aircraft fuel tax in RCW 82.42.090. For failure to comply with the terms of this chapter, such person is subject to the same penalties imposed upon distributors. The director must pursue against such persons the same procedure and remedies for audits, adjustments, collection, and enforcement of this chapter as is provided with respect to distributors. Nothing herein must be construed as classifying such persons as distributors. [2013 c 225 s 306; 1982 1st ex.s. c 25 s 9; 1971 ex.s. c 156 s 5.]

RCW 82.42.115 Assessments—Warrant—Lien—Filing fee—Writs of execution and garnishment. When an assessment becomes final the department may file with the clerk of any county within the state a warrant in the amount of the assessment of taxes, penalties, interest and a filing fee under RCW 36.18.012(10). The warrant is a lien upon title to, and interest in all real and personal property of the person against whom the warrant is issued. The warrant is sufficient to support the issuance of writs of execution and writs of garnishment in favor of the state. [2013 c 225 s 402.]

Effective date—2013 c 225: See note following RCW 82.38.010.

RCW 82.42.118 Civil and statutory penalties and interest—Deficiency assessments. (1) If any licensee fails to pay any taxes due the state of Washington within the time prescribed in this chapter, the licensee must pay a penalty of 10 percent of the tax due.

(2) If the tax reported by any licensee is deficient a penalty of 10 percent of the deficiency must be assessed.

(3) If any licensee, whether or not licensed as such, fails, neglects, or refuses to file a required fuel tax report, the department must determine the tax liability and add the penalty provided in subsection (2) of this section to the liability. An assessment made by the department pursuant to this subsection or to subsection (2) of this section is presumed to be correct, and the burden is on the person who challenges the assessment to establish by a fair preponderance of the evidence that it is erroneous or excessive.

(4) If any licensee establishes by a fair preponderance of evidence that failure to file a report or pay the proper amount of tax within the time prescribed was due to reasonable cause and was not intentional or willful, the department may waive the penalty prescribed in subsections (1) and (2) of this section.

(5) If any licensee files a false or fraudulent report with intent to evade the tax imposed by this chapter, a penalty of 25 percent of the deficiency must be added to the amount of deficiency, which is in addition to all other penalties prescribed by law.

(6) If any person acts as a licensee without first securing the required license, all fuel tax liability incurred by that person becomes immediately due and payable. The department must determine the amount of the tax liability and must assess the person along with a penalty of 100 percent of the tax.

(7) Any fuel tax, penalties, and interest payable under this chapter bear interest at the rate of one percent per month, or fraction thereof, from the first day of the calendar month after the amount or any portion thereof should have been paid until the date of payment. The department may waive interest when it determines the cost of processing the collection exceeds the amount of interest due.

(8) Except in the case of violations of filing a false or fraudulent report, if the department deems mitigation of penalties and interest to be reasonable and in the best interests of carrying out the purpose of this chapter, it may mitigate the assessments.

(9) Except in the case of a fraudulent report or failure to file a report, deficiencies, penalties, and interest must be assessed within five years from the 25th day of the next succeeding month following the reporting period for which the amount is determined or

within five years after the return is filed, whichever period expires later.

(10)(a) Any licensee against whom an assessment is made under the provisions of subsection (2) or (3) of this section may petition for a reassessment within 30 days after service upon the licensee of the assessment. If such petition is not filed within such 30-day period, the amount of the assessment becomes final.

(b) If a petition for reassessment is filed within the 30-day period, the department must reconsider the assessment and, if the licensee has requested in the petition, must grant a review by the department and give 10 days' notice of the time, place, and method of review. The department may continue the review as needed. The decision of the department upon a petition for reassessment becomes final 30 days after service upon the licensee.

(11) Every assessment made by the department becomes due and payable at the time it becomes final and if not timely paid to the department a penalty of 10 percent of the amount of the tax must be added to the assessment.
