RCW 70.127.005 Legislative intent. The legislature finds that the availability of home health, hospice, and home care services has improved the quality of life for Washington's citizens. However, the delivery of these services bring risks because the in-home location of services makes their actual delivery virtually invisible. Also, the complexity of products, services, and delivery systems in today's health care delivery system challenges even informed and healthy individuals. The fact that these services are delivered to the state's

most vulnerable population, the ill or disabled who are frequently also elderly, adds to these risks.

It is the intent of the legislature to protect the citizens of Washington state by licensing home health, hospice, and home care agencies. This legislation [act] is not intended to unreasonably restrict entry into the in-home service marketplace. Standards established are intended to be the minimum necessary to ensure safe and competent care, and should be demonstrably related to patient safety and welfare. [1988 c 245 s 1.]

RCW 70.127.050 Volunteer organizations—Use of phrase "volunteer hospice." (1) An entity that provides hospice care without receiving compensation for delivery of any of its services is exempt from licensure pursuant to RCW 70.127.020(1) if it notifies the department, on forms provided by the department, of its name, address, name of owner, and a statement affirming that it provides hospice care without receiving compensation for delivery of any of its services. This form must be filed with the department within sixty days after being informed in writing by the department of this requirement for obtaining exemption from licensure under this chapter.

(2) For the purposes of this section, it is not relevant if the entity compensates its staff. For the purposes of this section, the word "compensation" does not include donations.

(3) Notwithstanding the provisions of RCW 70.127.030(2), an entity that provides hospice care without receiving compensation for delivery of any of its services is allowed to use the phrase "volunteer hospice."

(4) Nothing in this chapter precludes an entity providing hospice care without receiving compensation for delivery of any of its services from obtaining a hospice license if it so chooses, but that entity would be exempt from the requirements set forth in RCW 70.127.080(1)(d). [2000 c 175 s 5; 1993 c 42 s 3; 1988 c 245 s 6.]

In developing the rules, the department may not establish criteria that:

(1) Notwithstanding the provisions of RCW 70.127.080(1)(c), an in-home services agency that is certified by the federal medicare program, or accredited by the community health accreditation program, or the joint commission on accreditation of health care organizations as a home health or hospice agency is not subject to a state licensure survey if:

(a) The department determines that the applicable survey standards of the certification or accreditation program are substantially equivalent to those required by this chapter;

(b) An on-site survey has been conducted for the purposes of certification or accreditation during the previous twenty-four months; and

(c) The department receives directly from the certifying or accrediting entity or from the licensee applicant copies of the initial and subsequent survey reports and other relevant reports or findings that indicate compliance with licensure requirements.

(2) Notwithstanding the provisions of RCW 70.127.080(1)(c), an in-home services agency providing services under contract with the department of social and health services or area agency on aging to provide home care services and that is monitored by the department of

social and health services or area agency on aging is not subject to a state licensure survey by the department of health if:

(a) The department determines that the department of social and health services or an area agency on aging monitoring standards are substantially equivalent to those required by this chapter;

(b) An on-site monitoring has been conducted by the department of social and health services or an area agency on aging during the previous twenty-four months;

(c) The department of social and health services or an area agency on aging includes in its monitoring a sample of private pay clients, if applicable; and

(d) The department receives directly from the department of social and health services copies of monitoring reports and other relevant reports or findings that indicate compliance with licensure requirements.

(3) The department retains authority to survey those services areas not addressed by the national accrediting body, department of social and health services, or an area agency on aging.

(4) In reviewing the federal, the joint commission on accreditation of health care organizations, the community health accreditation program, or the department of social and health services survey standards for substantial equivalency to those set forth in this chapter, the department is directed to provide the most liberal interpretation consistent with the intent of this chapter. In the event the department determines at any time that the survey standards are not substantially equivalent to those required by this chapter, the department is directed to notify the affected licensees. The notification shall contain a detailed description of the deficiencies in the alternative survey process, as well as an explanation concerning the risk to the consumer. The determination of substantial equivalency for alternative survey process and lack of substantial equivalency are agency actions and subject to RCW 34.05.210 through 34.05.395 and 34.05.510 through 34.05.675.

(5) The department is authorized to perform a validation survey on in-home services agencies who previously received a survey through accreditation or contracts with the department of social and health services or an area agency on aging under subsection (2) of this section. The department is authorized to perform a validation survey on no greater than ten percent of each type of certification or accreditation survey.

(1) Application and renewal fee: An application for a license or any renewal shall be accompanied by a fee as established by the department under RCW 43.70.250. The department shall adopt by rule licensure fees based on a sliding scale using such factors as the number of agency full-time equivalents, geographic area served, number of locations, or type and volume of services provided. For agencies receiving a

licensure survey that requires more than two on-site surveys by the department per licensure period, an additional fee as determined by the department by rule shall be charged for each additional on-site survey. The department may set different licensure fees for each licensure category. Agencies receiving a license without necessity of an on-site survey by the department under this chapter shall pay the same licensure or transfer fee as other agencies in their licensure category.

(2) Change of ownership fee: The department shall charge a reasonable fee for processing changes in ownership. The fee for transfer of ownership may not exceed fifty percent of the base licensure fee.

(3) Late fee: The department may establish a late fee for failure to apply for licensure or renewal as required by this chapter. [2000 c 175 s 8; 1999 c 190 s 3; 1993 c 42 s 5; 1988 c 245 s 10.]

RCW 70.127.165 Licenses—Conditions on a license—Civil penalties—Limited stop services—Stop placements—Denials. (1) When the department determines the in-home services agency has previously been subject to an enforcement action for the same or similar type of violation of the same statute or rule, or has been given any previous statement of deficiency that included the same or similar type of violation of the same or similar statute or rule, or when the in-home services agency failed to correct noncompliance with a statute or rule by a date established or agreed to by the department, the department may impose reasonable conditions on a license. Conditions may include correction within a specified amount of time, training, or hiring a department-approved consultant if the in-home services agency cannot demonstrate to the department that it has access to sufficient internal expertise. If the department determines that the violations constitute immediate jeopardy, the conditions may be imposed immediately in accordance with subsection (5) of this section.

(2) (a) In accordance with the authority the department has under RCW 43.70.095, the department may assess a civil fine of up to \$3,000 per violation on an in-home services agency licensed under this chapter when the department determines the in-home services agency has previously been subject to an enforcement action for the same or similar type of violation of the same statute or rule, or has been given any previous statement of deficiency that included the same or similar type of violation of the same or similar statute or rule, or when the in-home services agency failed to correct noncompliance with a statute or rule by a date established or agreed to by the department.

(b) Proceeds from these fines may only be used by the department to offset costs associated with licensing and enforcement of in-home services agencies.

(c) The department shall adopt in rules under this chapter specific fine amounts in relation to the severity of the noncompliance and at an adequate level to be a deterrent to future noncompliance.

(d) If a licensee is aggrieved by the department's action of assessing civil fines, the licensee has the right to appeal under RCW 43.70.095.

(3) The department may suspend a specific category or categories of services or care that the in-home services agency provides as related to the violation by imposing a limited stop service. This may only be done if the department finds that noncompliance results in immediate jeopardy.

(a) Prior to imposing a limited stop service, the department shall provide an in-home services agency written notification upon identifying deficient practices or conditions that constitute an immediate jeopardy. The in-home services agency shall have 24 hours from notification to develop and implement a department-approved plan to correct the deficient practices or conditions that constitute an immediate jeopardy. If the deficient practices or conditions that constitute immediate jeopardy are not verified by the department as

having been corrected within the same 24-hour period, the department may issue the limited stop service.

(b) When the department imposes a limited stop service, the in-home services agency may not provide the services in the category or categories subject to the limited stop service to any new or existing individuals until the limited stop service is terminated.

(c) The department shall conduct a follow-up inspection within five business days or within the time period requested by the in-home services agency if more than five business days is needed to verify the violation necessitating the limited stop service has been corrected.

(d) The limited stop service shall be terminated when:

(i) The department verifies the violation necessitating the limited stop service has been corrected or the department determines that the in-home services agency has taken intermediate action to address the immediate jeopardy; and

(ii) The in-home services agency establishes the ability to maintain correction of the violation previously found deficient.

(4) The department may suspend new admissions to an in-home services agency that qualifies as a hospice care center by imposing a stop placement. This may only be done if the department finds that noncompliance results in immediate jeopardy and is not confined to a specific category or categories of services or care that the hospice care center provides.

(a) Prior to imposing a stop placement, the department shall provide an in-home services agency that qualifies as a hospice care center written notification upon identifying deficient practices or conditions that constitute an immediate jeopardy. The hospice care center shall have 24 hours from notification to develop and implement a department-approved plan to correct the deficient practices or conditions that constitute an immediate jeopardy. If the deficient practices or conditions that constitute immediate jeopardy are not verified by the department as having been corrected within the same 24-hour period, the department may issue the stop placement.

(b) When the department imposes a stop placement, the hospice care center may not admit any new patients until the stop placement is terminated.

(c) The department shall conduct a follow-up inspection within five business days or within the time period requested by the hospice care center if more than five business days is needed to verify the violation necessitating the stop placement has been corrected.

(d) The stop placement shall be terminated when:

(i) The department verifies the violation necessitating the stop placement has been corrected or the department determines that the hospice care center has taken intermediate action to address the immediate jeopardy; and

(ii) The hospice care center establishes the ability to maintain correction of the violation previously found deficient.

(5) The department may deny an application for a license or suspend, revoke, or refuse to renew a license. [2024 c 121 s 12.]

RCW 70.127.170 Licenses—Conditions for penalties. The department is authorized to take any of the actions identified in RCW 70.127.165 against an in-home services agency's license in any case in which it finds that the licensee:

- (4) Refused to allow representatives of the department to inspect any book, record, or file required by this chapter to be maintained or any portion of the licensee's premises;
- (5) Willfully prevented, interfered with, or attempted to impede in any way the work of any representative of the department and the lawful enforcement of any provision of this chapter. This includes but is not limited to: Willful misrepresentation of facts during a survey, investigation, or administrative proceeding or any other legal action; or use of threats or harassment against any patient, client, or witness, or use of financial inducements to any patient, client, or witness to prevent or attempt to prevent him or her from providing evidence during a survey or investigation, in an administrative proceeding, or any other legal action involving the department;
- (6) Willfully prevented or interfered with any representative of the department in the preservation of evidence of any violation of this chapter or the rules adopted under this chapter;

- (12) Was the holder of a license to provide care or treatment to ill individuals, vulnerable individuals, or individuals with disabilities that was denied, restricted, not renewed, surrendered, suspended, or revoked by a competent authority in any state, federal, or foreign jurisdiction. RCW 70.127.175 Licenses—Adjudicative proceedings—Immediate jeopardy. (1) Except as otherwise provided, RCW 43.70.115 governs notice of the imposition of conditions on a license, a limited stop service, stop placement, or the suspension, revocation, or refusal to renew a license and provides the right to an adjudicative proceeding. Adjudicative proceedings and hearings under this section are governed by the administrative procedure act, chapter 34.05 RCW. The application for an adjudicative proceeding must be in writing, state the basis for contesting the adverse action, include a copy of the department's notice, be served on and received by the department within 28 days of the licensee's receipt of the adverse notice, and be served in a manner that shows proof of receipt.

(2) When the department determines a licensee's noncompliance results in immediate jeopardy, the department may make the imposition of conditions on a licensee, a limited stop service, stop placement, or the suspension of a license effective immediately upon receipt of the notice by the licensee, pending any adjudicative proceeding.

(a) When the department makes the suspension of a license or imposition of conditions on a license effective immediately, a licensee is entitled to a show cause hearing before a presiding officer within 14 days of making the request. The licensee must request the show cause hearing within 28 days of receipt of the notice of immediate suspension or immediate imposition of conditions. At the show cause hearing the department has the burden of demonstrating that more probably than not there is immediate jeopardy.

(b) At the show cause hearing, the presiding officer may consider the notice and documents supporting the immediate suspension or immediate imposition of conditions and the licensee's response and shall provide the parties with an opportunity to provide documentary evidence and written testimony, and to be represented by counsel.

Prior to the show cause hearing, the department shall provide the licensee with all documentation that supports the department's immediate suspension or imposition of conditions.

(c) If the presiding officer determines there is no immediate jeopardy, the presiding officer may overturn the immediate suspension or immediate imposition of conditions.

(d) If the presiding officer determines there is immediate jeopardy, the immediate suspension or immediate imposition of conditions shall remain in effect pending a full hearing.

(e) If the presiding officer sustains the immediate suspension or immediate imposition of conditions, the licensee may request an expedited full hearing on the merits of the department's action. A full hearing must be provided within 90 days of the licensee's request.

(3) When the department determines an alleged violation, if true, would constitute an immediate jeopardy, and the licensee fails to cooperate with the department's investigation of such an alleged violation, the department may impose an immediate stop placement, immediate limited stop service, immediate imposition of conditions, or immediate suspension.

(a) When the department imposes an immediate stop placement, immediate limited stop service, immediate imposition of conditions, or immediate suspension for failure to cooperate, a licensee is entitled to a show cause hearing before a presiding officer within 14 days of making the request. The licensee must request the show cause hearing within 28 days of receipt of the notice of an immediate stop placement, immediate limited stop service, immediate imposition of conditions, or immediate suspension for failure to cooperate. At the show cause hearing the department has the burden of demonstrating that more probably than not the alleged violation, if true, would constitute an immediate jeopardy and the licensee failed to cooperate with the department's investigation.

(b) At the show cause hearing, the presiding officer may consider the notice and documents supporting the immediate stop placement, immediate limited stop service, immediate imposition of conditions, or immediate suspension for failure to cooperate, and the licensee's response and shall provide the parties with an opportunity to provide documentary evidence and written testimony, and to be represented by counsel. Prior to the show cause hearing, the department shall provide the licensee with all documentation that supports the department's immediate action for failure to cooperate.

(c) If the presiding officer determines the alleged violation, if true, does not constitute an immediate jeopardy or determines that the licensee cooperated with the department's investigation, the presiding officer may overturn the immediate action for failure to cooperate.

(d) If the presiding officer determines the allegation, if true, would constitute an immediate jeopardy and the licensee failed to cooperate with the department's investigation, the immediate action for failure to cooperate shall remain in effect pending a full hearing.

(e) If the presiding officer sustains the immediate action for failure to cooperate, the licensee may request an expedited full hearing on the merits of the department's action. A full hearing must be provided within 90 days of the licensee's request. [2024 c 121 s 13.]

RCW 70.127.180 Surveys and in-home visits—Notice of violations—Enforcement action. (1) The department may at any time conduct a survey of all records and operations of a licensee in order to determine compliance with this chapter. The department may conduct in-home visits to observe patient/client care and services. The right to conduct a survey shall extend to any premises and records of persons whom the department has reason to believe are providing home health, hospice, or home care services without a license.

(2) Following a survey, the department shall give written notice of any violation of this chapter or the rules adopted under this chapter. The notice shall describe the reasons for noncompliance.

(3) The licensee may be subject to formal enforcement action under RCW 70.127.170 if the department determines: (a) The licensee has previously been subject to a formal enforcement action for the same or similar type of violation of the same statute or rule, or has been given previous notice of the same or similar type of violation of the same statute or rule; (b) the licensee failed to achieve compliance with a statute, rule, or order by the date established in a previously issued notice or order; (c) the violation resulted in actual serious physical or emotional harm or immediate threat to the health, safety, welfare, or rights of one or more individuals; or (d) the violation has a potential for serious physical or emotional harm or immediate threat to the health, safety, welfare, or rights of one or more individuals. [2000 c 175 s 15; 1988 c 245 s 19.]

Effective date—2000 c 175: See note following RCW 70.127.010.

RCW 70.127.190 Disclosure of compliance information. All information received by the department through filed reports, surveys, and in-home visits conducted under this chapter shall not be disclosed publicly in any manner that would identify individuals receiving care under this chapter. [2000 c 175 s 16; 1988 c 245 s 20.]

Effective date—2000 c 175: See note following RCW 70.127.010.

RCW 70.127.200 Unlicensed agencies—Department may seek injunctive or other relief—Injunctive relief does not prohibit criminal or civil penalties—Fines. (1) Notwithstanding the existence or use of any other remedy, the department may, in the manner provided by law and upon the advice of the attorney general, who shall represent the department in the proceedings, maintain an action in the name of the state for an injunction or other process against any person to restrain or prevent the advertising, operating, maintaining, managing, or opening of a home health, hospice, hospice care center, or home care agency without an in-home services agency license under this chapter.

(2) The injunction shall not relieve the person operating an in-home services agency without a license from criminal prosecution, or the imposition of a civil fine under *RCW 70.127.213(2), but the remedy by injunction shall be in addition to any criminal liability or civil fine. A person that violates an injunction issued under this chapter shall pay a civil penalty, as determined by the court, of not more than twenty-five thousand dollars, which shall be deposited in the department's local fee account. For the purpose of this section,

the superior court issuing any injunction shall retain jurisdiction and the cause shall be continued, and in such cases the attorney general acting in the name of the state may petition for the recovery of civil penalties. All fines, forfeitures, and penalties collected or assessed by a court because of a violation of RCW 70.127.020 shall be deposited in the department's local fee account. [2000 c 175 s 17; 1988 c 245 s 21.]

***Reviser's note:** RCW 70.127.213 was amended by 2024 c 121 s 14, moving the discussion of "the imposition of civil fines" from subsection (2) to subsection (5).

Effective date—2000 c 175: See note following RCW 70.127.010.

RCW 70.127.213 Unlicensed operation of an in-home services agency—Cease and desist orders—Adjudicative proceedings—Fines. (1)

The department may give written notice to cease and desist to any person whom the department has reason to believe is engaged in the unlicensed operation of an in-home services agency.

(2)(a) Except as otherwise provided in this section, the requirement to cease and desist unlicensed operation is effective 20 days after the person receives the notice.

(b) The department may make the date the action is effective sooner than 20 days after receipt when necessary to protect the public health, safety, or welfare. When the department does so, it shall state the effective date and the reasons supporting the effective date in the written notice to cease and desist.

(3) The person to whom the notice to cease and desist is issued may request an adjudicative proceeding to contest the notice. The adjudicative proceeding is governed by the administrative procedure act, chapter 34.05 RCW. The request for an adjudicative proceeding must be in writing, state the basis for contesting the notice, include a copy of the notice, and be served on and received by the department within 20 days from the date the person receives the notice to cease and desist.

(4)(a) If the department gives a person 20 days' notice to cease and desist and the person requests an adjudicative proceeding before its effective date, the department shall not implement the notice until the final order has been entered. The presiding or reviewing officer may permit the department to implement part or all of the notice while the proceedings are pending if the respondent causes an unreasonable delay in the proceeding, if the circumstances change so that implementation is in the public interest, or for other good cause.

(b) If the department gives a licensee less than 20 days' notice to cease and desist and the respondent timely files a request for an adjudicative proceeding, the department may implement the cease and desist on the effective date stated in the notice. The presiding or reviewing officer may order the department to stay implementation of part or all of the adverse action while the proceedings are pending if staying implementation is in the public interest or for other good cause.

(5) The department may assess a civil fine not exceeding \$5,000 for each day a person operates an in-home services agency without a valid license.

(a) The department shall give written notice to the person against whom it assesses a civil fine.

(b) Except as otherwise provided in (c) and (d) of this subsection, the civil fine is due and payable 20 days after receipt.

(c) The person against whom the department assesses a civil fine has the right to request an adjudicative proceeding. The proceeding is governed by the administrative procedure act, chapter 34.05 RCW. The request must be in writing, state the basis for contesting the fine, include a copy of the notice, be served on and received by the department within 20 days of the person receiving the notice of civil fine, and be served in a manner which shows proof of receipt.

(d) If the person files a timely and sufficient request for adjudicative proceeding, the department shall not implement the fine until the final order has been served.

(6) Neither the issuance of a cease and desist order nor payment of a civil fine shall relieve the person so operating an in-home services agency without a license from criminal prosecution, but the remedy of a cease and desist order or civil fine shall be in addition to any criminal liability. A final notice to cease and desist is conclusive proof of unlicensed operation and may be enforced under RCW 7.21.060. This method of enforcement of the final notice to cease and desist or civil fine may be used in addition to, or as an alternative to, any provisions for enforcement of agency orders set out in chapter 34.05 RCW. [2024 c 121 s 14; 2000 c 175 s 19.]

Effective date—2000 c 175: See note following RCW 70.127.010.

RCW 70.127.216 Unlicensed operation of an in-home services agency—Consumer protection act. The legislature finds that the operation of an in-home services agency without a license in violation of this chapter is a matter vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW. Operation of an in-home services agency without a license in violation of this chapter is not reasonable in relation to the development and preservation of business. Such a violation is an unfair or deceptive act in trade or commerce and an unfair method of competition for the purpose of applying the consumer protection act, chapter 19.86 RCW. [2000 c 175 s 20.]

(3) A copy of the policies provided to the department of health under subsection (1) of this section must be posted to the website of each agency or facility providing hospice services as defined in RCW
