- (a) Park at any recreation site or lands; or
- (b) Operate on any recreation site or lands.

(2) Except as provided in RCW 79A.80.110, the cost of a discover pass is thirty dollars. The agencies must collectively set a price for the sale of a family discover pass that is no more than fifty dollars. A discover pass is valid only for use with one motor vehicle at any one time.

(6)(a) One complimentary discover pass must be provided to a volunteer who performed twenty-four hours of service on agency-sanctioned volunteer projects in a year. The agency must provide vouchers to volunteers identifying the number of volunteer hours they have provided for each project. The vouchers may be brought to an agency to be redeemed for a discover pass.

(b) Married spouses under chapter 26.04 RCW may present an agency with combined vouchers demonstrating the collective performance of twenty-four hours of service on agency-sanctioned volunteer projects in a year to be redeemed for a single complimentary discover pass.

Findings—Intent—2025 c 323: "The legislature finds that both visitors and residents of Washington state enjoy the opportunity to recreate and experience the beauty of state-owned public lands, like state parks. The legislature also finds that the costs to provide access to these lands has been successfully supported by user-based recreation fees and that the costs of continued support and access has outpaced the revenue generated by fees. The discover pass and day-use permits that are used to gain access to state-owned lands have been in place since 2011, and the cost for the discover pass and permits has not changed since then. However, the costs to maintain recreational access have steadily increased. The original legislation anticipated the potential need to consider adjustment in the cost of both the discover pass and day-use permits. The legislature intends to maintain recreational access for all by updating the cost of the discover pass commensurate with the inflationary costs to carry out state recreational programs."
